OF CRIME**

Strategic Plan 2025 – 2030

Vision

A Canada where victims and survivors of crime are empowered and resilient

Mission

Enhance access to services and engage in advocacy to strengthen the rights of victims of crime in Canada

Values

Advocacy | Empowerment
Knowledge | Person-centred | Respect

STRATEGIC DIRECTIONS

As a national organization for victims of crime, we will:

Pan-Canadian Collaboration and Specialization

- Leverage our Pan-Canadian focus to build strong relationships and networks
- Advance our strategic advocacy work to improve systems for victims

Support, Advocacy and Empowerment

- Provide up-to-date and accurate national information for victims
- Support family members and loved ones affected by Homicide and Missing Persons
- Specialize our work with victims with an emphasis on post judicial services
- Utilize the Victim Advisory Committee as a formal platform for victims to be involved in policy changes, improvement of support systems and advocacy

Organizational Excellence and Sustainability

- Strengthen organizational excellence (Board, staff and VAC sustainability and capacity)
- Develop a fundraising strategy and diversify funding to deliver our priorities
